

**OUR MISSION** is to provide housing programs for homeless single mothers and their children in North Metro Atlanta. Our educational, empowerment, and mentoring programs assist families in becoming financially self-sufficient and contributing members of the community.

“It’s been a very good year at The Drake House and we are proud of our progress in serving homeless mothers and their children in our community. The Drake Village is becoming a reality and our children are thriving in our new after school program.”

Executive Director, Kathy Swahn

including **80 CHILDREN** and **14 TEEN BOYS** who were able to remain with their family

The Drake House After School Enrichment Program began in November with two part-time staff members and 10 children. The program **ENABLES MOTHERS TO SAVE MONEY** on childcare and work more hours, without having to navigate public transportation.

In August, more than 3,000 people enjoyed homemade ice cream at Miss Mary’s Ice Cream Crankin’ fundraiser, which **RAISED NEARLY \$48,000** for The Drake House.

Thanks to your generous donations, we **DOUBLED OUR CAPACITY** to serve! We purchased the property next to The Drake House, named The Drake Village, which will serve qualified graduates of The Drake House with affordable housing, after school enrichment and other empowerment programs for up to two years.
